Paul-

I am updating my PINES information and see that I am missing a current membership list and meeting minutes after Feb 2008. (See note below to Nancy. I may have an incorrect address for her.) Maybe you can assist in providing what I have requested below.

Thanks-

Val Blumenfeld

Hello Nancy-

May I please have the current membership list for P.I.N.E.S. Looking back in my files, it has been awhile since I have had an update of membership from the group.

I also need meeting dates, meeting minutes and attendees names including officers at all meetings after the Feb. 7, 2008 meeting. Feb. 2008 is the last meeting information I received from the group. If members are contacted by mail or e-mail with any P.I.N.E.S. news, please include a copy of those notes as well. The Monthly Progress Reports only mention that a meeting took place with no actual meeting minutes.

Thanks-
